

Concentration

Fairbairn and Guntrip

Starting date: TBC

Day: One Saturday each month

Time: TBC

Place: TBC - size of seminar permitting - we will meet in my home

We will use the seminar to clarify and understand Fairbairn's Endopsychic Structure as he first conceived of it. But, there are a number of writer's who have expanded and developed Fairbairn's theories in creative and interesting ways. We will be moving forward into more contemporary theorists.

We will also where possible employ the use of films as our own creative effort to enliven our understanding and develop our uses of these theories.

*This seminar is open to CAPT members after an initial interview.

A reading list will be provided during the summer. If you have any questions, please contact me at 416-631-4226 or sbedard-1@rogers.com.
