Pre-Freudian Psychodynamic Psychotherapy3

Sigmund Freud.....4

D.W. Winnicott.....6

Fairbairn & Guntrip.....7

Melanie Klein8

Sullivan, the Interpersonalists & the Relationists.....9

Gender, Sexual Orientation & Sexuality10

John Bowlby & Attachment Theory11

Freud and Beyond, eds. Margaret Black and Stephen Mitchell (1995)

Available at Cavershams

We recommend for all CTP students that they acquire and read this book. It is a series of essays offering an interesting and informative overview of the theorists who have contributed significantly to the psychodynamic/psychoanalytic tradition. It covers almost every theorist we study in the Foundation Phase lecture series. Highly recommended; available at Caversham.

Pre-Freudian Psychodynamic Psychotherapy

FDN-001-PFPP

Lecturer: Adam Crabtree

Required Texts for the Course: No texts need to be purchased

Required & Recommended Readings can be found in dropbox: CTP Lectures Series Readings\2022-2023 Lecture Series Readings

Sigmund Freud

FDN-001-SF

Lecturers: Patricia Gavia & Sharon Bedard

SIGMUND FREUD: Readings and Resources

Available at Cavershams

These texts will carry you through the two years of the lecture cycle, although additional specific readings for each year vary. These are laid out and available in Dropbox each year.

Highlighted texts will be assigned in 2022-23

Freud, Sigmund. (2003) Beyond the Pleasure Principle (New Penguin Freud [NPF])

Read “Remembering Repeating and Working Through”.

Freud, Sigmund (2006) The Psychology of Love (NPF). Read “*Fragment of an Analysis of Hysteria*”. (*Dora*)

Freud, Sigmund (2006). Interpreting Dreams. (NPF)

Freud, Sigmund. Studies in Hysteria. (2004) (NPF)

Freud, Sigmund (2005). The Unconscious. (NPF)

Lear, Jonathan. (2005) Freud*

* Most students use the 2nd edition of this text. You may also use the 1st, if you prefer or it is what you can obtain. This text is expensive; used copies may often be found at BMV in the Annex or at Seekers, also in the Annex.

Freud Oral: Useful OPTIONAL Resources to Consider Purchasing:

Freud, Sigmund. (2003) An Outline of Psychoanalysis (NPF) *Note: This text is very helpful for preparing for the Freud Oral. Most of his major theories are summarized here, in his own words and clear style.*

Laplanche, L. & J-B Pontalis. The Language of Psychoanalysis. Karnac Books, 1988.

* This text can be particularly helpful with preparing for the Freud Oral. Note that the Pep-Web glossary contains entries from this dictionary.

Ed. Moore, B. & Fine, B. Psychoanalytic Terms & Concepts. The American Psychoanalytic Association, 1990. An equally useful text for preparing for the Freud Oral. Note that the Pep-Web glossary contains entries from this dictionary.

Walrond-Skinner, S. Dictionary of Psychotherapy. * A somewhat dated text that none-the-less has very useful elaborations of terms within a psychotherapeutic modality

de Mijolla, A. International Dictionary of Psychoanalysis. * A searchable three volume set. Digital Link Provided.

https://www.academia.edu/14161224/The_International_Dictionary_of_Psychoanalysis - Sign up to the website is required.

**Heller, S. Freud A to Z https://www.academia.edu/30130819/Freud_A_to_Z
- Sign up to the website is required.**

Note As Well:

Additional and specific lecture readings, handouts, optional readings and web links will be clearly designated in the DropBox folder well in advance of the lectures There will be a reading list set out for each of the lectures in this cycle. Please consult these readings as they appear well in advance of each lecture. [All Additional Readings will be Available in Dropbox – other than the above, no additional purchases will be required]

You will note that there is often a Required and an Optional reading folder for each lecture section. You are responsible for reading any Required articles in addition to the Main Freud readings. Any other required readings outside of the texts you are asked to purchase, will be made available in Dropbox. Optional readings are meant to be an additional resource and are for your interest only. Where possible, these will also be available in Dropbox.

We are recommending the New Penguin Freud texts because of the excellent translation into contemporary English. However, the standard edition of Freud's complete works is an invaluable reference and is available on PEP Web.

Sharon B & Patricia G 2022-2023

D.W. Winnicott

FDN-001-WINN

Lecturer: TBA

The Winnicott readings will be found in the Dropbox for the Winnicott lecture series, with one exception. Students are asked to purchase the following at Caversham:

Required Text for the Course: Winnicott, D. W., *Playing and Reality*. Routledge, London, 1971
